Note: isolved does not capture nor store any biometric information

(1) Battery Backup Accessory will allow the clock to function normally for a period of time in the event of a power outage.

(2) Either Bell Relay or Door/Buzzer Relay may be selected on the Velocity 800 and Velocity 850 models. The NXG G2 Pro and NXG G7 Pro Models will support both a Bell Relay and a Door/Buzzer Relay together on the same clock.
