Talent Acquisition

# Effortlessly attract top qualified candidates and create a streamlined candidate experience for optimized talent retention.

Candidate sourcing is arguably the most crucial function of recruiting in recent months. It's no secret there is a major talent shortage and hiring managers are finding it more difficult than ever to find top quality talent for their open roles.

**69%** of employers globally report talent shortages, a 15-year high.

### Onboarding Just Got A Lot Easier

Verifying and bringing on new hires can take a lot of time for HR and recruiting professionals. With E-Verify, I-9 work verification, built into isolved Talent Acquisition, the process just got a lot easier. **isolved simplifies the employment verification process**, with results returned from the agency within seconds.

Streamline your hiring with customizable solutions built to help you optimize every stage of your recruiting process. Whether you want to scale your team quickly, source remote candidates or reach diverse talent, Attract & Hire on the isolated Talent Acquisition platform gives you the technology to **find the best-fit candidates for your open roles.**

## Attract Qualified Talent

Post your open position to 4,000+ job boards in a single click and leverage employee referrals.

## Stay Top of Mind

Easily communicate every step of the way with one-click email templates, assessments, and interview scheduling.

## Hire at Scale

Move faster by automating admin tasks.

## Access Actionable Insights

Inform and improve your hiring process with robust reporting.

Source, attract, hire, and onboard the very best talent.

## Hiring is hard.

In today's candidate market, you've got to be on your toes from the first words you write in your job description to the moment you send an offer letter.

The candidate's experience with your company and the communications they receive along the way are vital in showcasing your appreciation for their time. And with hiring recovering, candidates have choices.

Having an established hiring process, time-saving tools and quick follow through are all key to finding (and keeping!) your next great employee.

With **isolved Attract & Hire**, you can dive head-first into hiring tasks that need a human touch and automate the manual tasks that don't.

With **isolved Onboard & Develop**, you can support all-important human connections while boosting your ROI from increased efficiency and effectiveness in the onboarding process.
